Note to all Health Care Providers:

Our mobility program is designed to help seniors maintain their independent living status **within the community**. (Please note: our program does not extend to hospital inpatients, patients currently residing in an institutional setting (ex: PCH, Assisted Living, as well as those that have been panelled for PCH.)

Wheelchairs, walkers, and canes are available for a **maximum of three months** on the recommendation of a medical professional. It is important that the attached referral form be filled out completely, including patient's height and weight for all equipment types, to ensure that the appropriate equipment is loaned out.

It is **imperative** that **clients call** at least **24 hours** in advance (if possible) to arrange for pick up of equipment. Appropriate arrangements must be made in advance to ensure that equipment and paperwork is available and ready. Not doing so may result in the patient being asked to come back at a later time. Our office hours are 8:30 a.m. to 4:00 p.m.

Thank you very much for your involvement in the program.

Sincerely,

Carrie Bilawchuk
